WHAT'S INCLUDED:

We'll provide the bedding and healthy hearty grub so you just need to turn up with yourselves, your kit (see below) and good mountain spirits.

Notes on food & alcohol:

We'll provide it all – breakfast, lunch, mountain snacks, dinner and cake, plus a Saturday night late Summer feast. Special diet? No problem. Just make sure you let us know when we send you your pre-trip questionnaire.

Although we'll provide a glass of wine or beer with dinner on Saturday evening, we'd encourage minimal drinking of alcohol over the weekend to fully enjoy our mountain days with clear heads.

WHAT'S NOT INCLUDED:

How you get to us in North Wales is up to you, we just ask that you arrive by 6.30pm on Friday in time for dinner & welcome chats. Check out our [contact page](#) for more details on starting your adventure.

Here's a suggested kit list to enjoy full mountain days:

- Backpack (20 – 30 litres is ample)
- Water bottle (1-2 litres)
- Walking boots (broken in)
- Walking clothes (layers and leggings are good)
- Comfy walking socks
- Big warm jacket
- Waterproof jacket and trousers
- Drybag
- Swimming kit
- Towel
- Headtorch, optional map & compass
- Comfy post-mountain clothes
- Indoor footwear/slippers
